Hey little girl, stand right there
Sun is shining in your hair
Hey little girl, don't you move
Hey my heart and I approve

Woah, woah, woah

You're my sunshine
Don't you know I love you?
Love you, shine your love on me
Shine your sunshine
By the stars above you
I love you, truly love you

Hey little girl, hold me tight
Fall in love on a summer night
Hey, let me walk you by the sea
What's good for you is good for me, yeah

Woah, woah, woah

You're my sunshine
Don't you know I love you?
Love you, shine your love on me
Shine your sunshine
By the stars above you
I love you, truly love you

And I just wanna tell you that you're super fine
Woah, woah
I do believe it's you that makes the sun to shine
Woah, woah

Hey little girl, let it show
Want the whole wide world to know
Let it show, so they can see
Just how easy love can be, yeah

Woah, woah, woah

You're my sunshine
Don't you know I love you?

Love you, shine your love on me
Shine your sunshine
By the stars above you
I love you, truly love you

You're my sunshine
Don't you know I love you
Love you
Shine your love on me

You're my sunshine
You're my sunshine, girl
You're my sunshine
And I love you, woah

You're my sunshine
Shine, shine, shine, shine
You're my sunshine
Shine, shine, shine, shine

Love you, shine your love on me
Sunshine by the stars above you
I love you, truly love you

Sunshine
Sunshine
