Yah
Pain
pleasure
whats it all about
gain
measure
i see it in your smile
you got whats coming to you
we'll break through
escape tonight
ill take you higher than the gods
you have to, sacrifice
seven years of agony are devine
you have to, pay the price
take a good look at minute
he's sayin' good by
im getting sick of your games
im getting sick of the laughter
my teeth begin to grind
im begining to hope
your gonna get what your after
burry it in your lies
you got whats coming to you

we'll break through
escape tonight
ill take you higher than the gods
you have to, sacrifice
seven years of agony are devine
you have to, pay the price
take a good look at minute
he's sayin' good by
(Yah)one two three four!
hey, im all right

hey, im alright
