Wait a minute, this is the end of the world.
All these confessions are now between me and God...
me and God.

I am afraid, the end of the world,
We've been to heaven.
And we'll probably go to hell, (Probably go to hell).
My sins are taking over me,
It's time to pay the price of what I've done.

Don't,
Breath.

I never sleep at night,
I think I'm losing my head.
This paranoia is gonna kill me,
Check the locks on the door.
Look out my window and pray to god I'll be saved.

Heavens,
Not that,
That far away.

I am afraid, the end of the world,
We've been to heaven.
And we'll probably go to hell.
My sins are taking over me,
It's time to pay the price of what I've done.
Pay... The price!

We're caught in rapture, (We're caught in rapture!)
I am the witness, (I am the witness!)
We're caught in rapture (We're caught in rapture!)
I am the wicked!

I am afraid, the end of the world
We've been to heaven.

And we'll probably go to hell.
My sins are taking over me,
It's time to pay the price of what I've done.
Pay... The price!
Pay... The price!
What I've done!

Call the angels for help,
For help to try and rise above.
This is the end of the world as we know it.
And it's time, It's time to pay,
This is my hell!
