One song about a girl, can't breathe when I'm around  
her

I wait here everyday in case she scratch the surface  
She'll never notice

I'm not in love, this is not my heart  
I'm not gonna waste these words about a girl

Last night I knew what to say but you weren't there to  
hear it

These lines so well rehearsed, tongue-tied and  
overloaded  
You never notice

I'm not in love, this is not my heart  
I'm not gonna waste these words about a girl

I'm not in love, this is not your song  
I'm not gonna waste these words about a girl

To be loved, to be loved, what more could you ask for?  
To be loved, to be loved, everyone wants  
To be loved, to be loved, what more could you ask for?  
To be loved, to be loved, everyone

I'm not in love, this is not my heart  
I'm not gonna waste these words

I'm not in love, this is not my heart  
I'm not gonna waste these words about a girl

I'm not in love  
(To be loved, to be loved, what more could you ask  
for?)  
This is not your song  
(To be loved, to be loved, everyone wants)  
I'm not gonna waste these words about a girl  
(To be loved, to be loved)
