Attention! Attention!

May I have all your eyes and ears to the front of the room,

If only, if only for one second.

Would you hear what i have to say,

oh, oh and did I mention,

When i see you it stings like Hell,

to the fact that we could have something,  
that'll never happen.

This table has taken a turn for the worst.

Rock bottom, and over the edge.

well,it's not like it hurts that much anyway.

Upside down and inside out

When I leave here I'm going alone.

Well it's not like it, not like it hurts much anyway.

Attention! Attention!

May I have all your eyes and ears to the front of the room,

If only, if only for one second.

Will you hear what I have to say?

Oh, did I mention when I see you it stings like hell?

Due to the fact that we could have something that'll  
never happen

Did you hear what I have to...?

This balance has weighed out our hearts' desire,  
I'm trying to make it alone.

Well it's not like it hurts that much anyway.

Upside-down and inside out,

When I leave here I'm going alone

But I'm dying, I'm dying, to touch...

And it's not like it, not like it hurts much anyway.

Attention! Attention!

May I have all your eyes and ears to the front of the room,

If only, if only for one second.

Will you hear what I have to say?

Oh, did I mention when I see you it stings like hell?

Due to the fact that we could have something,

something...

Attention! Attention!

May I have all your eyes and ears to the front of the  
room,

If only, if only for one second.

Will you hear what I have to say?

Oh, did I mention when I see you it stings like hell?

Due to the fact that we could have something that'll  
never happen

Will you hear what I have to say?
