Some people have it and other people dont
Youve been making some threats
got my name and address.
Im breakin habits, you dont want to know
Although Im wearin my clothes,
feelin cold and exposed, yeah
Whoa Whoa oh oh oh

Dont say you miss me,
you probably dont.
Well Ive been callin some lines,
that most folks wont, yeah
whoa whoa oh oh oh

Dont think youre more than this
or above all of this
With your "blah blah blah"
with all of your friends
You say you think you know
when you know you don't
Because tonight the bulls are in Brooklyn
and youre still at home.
whoa oh whoa oh oh oh

Some people have it and other people dont
though the road that we passed
still goes both ways
Im breaking habits, you dont want to know.
Well Ive been crossig
some lines that most folks wont
Dont think youre more than this
or above all of this
With your "blah blah blah"
with all of your friends
You say you think you know
when you know you don't
Because tonight the bulls are in Brooklyn
and youre still at home.
whoa oh whoa oh oh oh
whoa oh whoa ohhhh

Dont think youre more than this

or above all of this
