The Academy Is... Lyrics

Down And Out

Out of the box, out of the kitchen.
Out of the world she's grown so fearful oh, so fearful
oh.

I don't ever want to see you again [3x]
I don't ever want to see you again my friend, this is the
end.

Out of the house, she grabs the keys runs for the hills,
and doesn't leave a letter that way the impact will be
much better.
Away from the man that she's grown so fearful oh, so
fearful oh.

I don't ever want to see you again [4x]

Why, oh why do you wear sunglasses in the home,
When the sun went out about an hour ago?
Why, oh why do you wear sunglasses in the home,
When the sun went out about an hour ago?
Life should not be that way.

Always up or down, never down and out.
Dreaming demons while you sleep,
They make you stutter when you sleep.
Always up or down, never down and out.
Dreaming demons while you sleep,
They make you stutter when you sleep.
Speak now or forever hold your piece in pieces.

Now that I'm grown I've seen marriages fall to pieces.
Now that I'm grown I've seen friendships fall to pieces.
We can't worry as in our best friends.
The writers weren't kidding about how all good things
must end.
Then again somethings, then again somethings will fall
to good,

Some things will fall to good, to go away, and let go.

Always up and down, never down and out.
Dreaming demons while you sleep,
They make you stutter when you sleep.
Always up and down, never down and out.
Dreaming demons while you sleep,
They make you stutter when you sleep.
Speak now or forever hold your piece...

We won't forget Tony or Johnny oh, oh.
We better have an interest that leads wish he's the best
on the road.
Garette to complain to Paris, France.
Now he's cooking up office for the pritty britty French
girls.
Brooke in Blue and Clarity to the wall of grace.
Talks that risk and turns to the rest of the ranks.

We can't worry as in our best friends,
The writers weren't kidding about the good things will
live in out hearts

Always up or down, never down and out.
Dreaming demons while you sleep,
They make you stutter when you sleep.
Always up or down, never down and out.
Dreaming demons while you sleep, (Never down and
out)
They make you stutter when you sleep.
Always up or down, never down and out.
Dreaming demons while you sleep, (Never down and
out)
They make you stutter when you sleep.
Always up or down, never down and out.
Dreaming demons while you sleep,
They make you stutter when you sleep.
Speak now or forever hold your piece in pieces.
