I took a step back as the room was filling up
I was packed up against some people who were tossing
up a storm
Now the door's locked
And the shower's on.
And I realize I don't recognize anyone,
But I don't mind
Well the neighbors have complained damn near every
night.

[Chorus]
You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
Give it a rest. Give it a rest
With a knock at the door,
The knock at the door as it goes...
Whoa...

Well now everybody's losing control!
Intoxicated circulation...
Just try and sit back, get my palette wet,
Getting mentally prepared for the consequences
And you know why...
Because that knock at the door
Calls the crowd to quiet.
The neighbors have complained damn near every
night.

[Chorus]
You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
Give it a rest. Give it a rest
With a knock at the door,
The knock at the door as it goes...
Whoa...

There's no one left lying on the second story
floorboards
And I'm sure they heard next door
The bottles are hollow now

And there's room at the bottom
And I would take it back
If I could, but I won't!

[Chorus]

You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
Give it a rest. Give it a rest
With a knock at the door,
The knock at the door as it goes...
Whoa...
