Please stand by,
we've come so far.
Four years, we survived the ride
that turned us inside out.

Repeat after me,
just scream and shout.
"It was the best of times from broken homes
and battle scars to where we are"

Graduate, Paper chase,
We'll get out of this place
Don't turn around,
Hit the highway
Pour some liquor out for this town
Now that's all for us,
It's last call drink up

Roll it out,
It's over now
We're the cast-outs
With messed up friends
Who never did fit in

Don't care where it ends
Doesn't matter now,
Long as we're as one,
We'll take the next bus
Destination: setting sun

Graduate, Paper chase,
We'll get out of this place
Don't turn around,
Hit the highway
Pour some liquor out for this town
Now that's all for us,
It's last call drink up

Graduate, Paper chase,
We'll get out of this place
Don't turn around,
Hit the highway

Pour some liquor out for this town
Now that's all for us,
It's last call drink up

This is an open invite
For all to attend
Don't ask too many questions now
Don't tell us how it ends
Because we're the ones who wrote the end

Graduate, Paper chase,
We'll get out of this place
Don't turn around,
Hit the highway
Pour some liquor out for this town
Now that's all for us,
It's last call drink up

Graduate, Paper chase,
We'll get out of this place
Don't turn around,
Hit the highway
Pour some liquor out for this town
Now that's all for us,
It's last call drink up
