The Academy Is... Lyrics

Season

Wake up think fast, three weeks have passed. We are  
changing. No sleep, no gas, no excuses will pass these  
lips because were shapin' up to be all you wish you  
could have been to write the hits and to turn their  
heads and to open eyes (open your eyes) to a brand  
new season, a brand new season.

So show me something we haven't heard yet, but I'm  
not convinced and your hopeless songs won't stick.  
But I, i'll sing you something you won't forget for the  
first time I know this is now who I am.

Wake up think fast three weeks have passed these lips  
cause we're shapin' up to be all you wish you could  
have been to write the hits and to turn heads to turn  
heads to open eyes (open your eyes) to a brand new  
season, a brand new season.

So show me something we haven't heard yet but I'm  
not convinced and you hopeless songs won't stick.  
But I, I'll sing you something you won't forget, for the  
first time I know this is now who I am.

You'll see what we mean you'll notice when we're gone.

So show me something we haven't heard yet but I'm  
not convinced and your hopeless songs won't stick.  
But I, I'll sing you something you won't forget for the  
first time I know this is now who I am.

So show me something we haven't heard yet but I'm  
not convinced and your hopeless songs won't stick.  
But I, I'll sing you something you won't forget for the  
first time I know this is now who I am.
