Don't try and tell me you've been looking at me.
Cuz I've been looking at you.
And I can read what you think. Yea.
Don't cut no corners when you're talking to me.
Like I don't know how it is,
But I can see all of it.

[Chorus]

We always have to wait (wait)
By the choice we had to make. (make)
You sold yourself so short,
Is this the way to carry on?
In the most unexpected places...

Don't try and tell me you've been thinking of us,
Cuz I will never believe you now you're shit out of luck,
yeah.
Don't cut no corners when you're looking at me.
Like you don't know how it is
But I can see all of it...

[Chorus]

We always have to wait (wait)
By the choice we had to make. (make)
You sold yourself so short,
Is this the way to carry on?
In the most unexpected places...

We always have been caged
By the choices we make.
You sold yourself so short.
Is that the way to carry on?
In the most unexpected places. I see changes.
In the most unexpected places, I see changes.
We sold ourselves so short.
Is this the way to carry on?
Is this the way to carry on?
