Iâ€™ve got that lefty curse  
Where everything I do is flipped  
And awkwardly reversed  
Youâ€™re seldom known and barely missed  
I always put myself  
In destructive situations  
I need oxygen  
To be exposed where no one goes, where no oneâ€™s  
been  
When it all comes crashingÂ…

(ah ah ah ah ah ah ah ah)  
Now weâ€™ve got a big, big  
Mess on our hands tonight.  
Sing it (yeah)  
(ah ah ah ah ah ah ah ah)  
Now weâ€™ve got a big, big  
Mess on our hands tonight.

Somebody get my phone  
So I can throw it in a public  
Pool and watch it float  
And as it slowly sinking down,  
Become a social ghost  
Inside a box, cut at the top  
To let some light shine in  
To remind me what Iâ€™ve done and where Iâ€™ve been  
When it all comes crashingÂ…

(ah ah ah ah ah ah ah ah)  
Now weâ€™ve got a big, big  
Mess on our hands tonight.  
Sing it (yeah)  
(ah ah ah ah ah ah ah ah)  
Now weâ€™ve got a big, big, big, big  
Mess on our hands, on our hands.

Donâ€™t give in, donâ€™t give up,  
Iâ€™ll be gone.  
You donâ€™t look innocent enough.  
Weâ€™re too young to be critics  
We wonâ€™t miss anything at all

Don't give in, don't give up  
I don't look innocent with this big, big mess on,  
I'll say something else.

(woah)  
(woah)  
(woah oh)

We've got a big, big mess  
Oh, we've got a big, big mess  
Oh, we've got a big, big mess  
A big, big mess  
Now we've got a big, big mess  
A big, big mess  
Now come on

(ah ah ah ah ah ah ah)  
Now we've got a big, big  
Mess on our hands tonight.  
Sing it (yeah)  
(ah ah ah ah ah ah ah)  
Now we've got a big, big, big, big  
Mess on our hands, on our hands,

Don't give in, don't give up (we've got a big, big  
mess)  
I'll be gone. (a big, big mess)  
I don't look innocent enough  
We're too young to be cynics (we've got a big, big  
mess on our hands)  
We won't wish any harm at all  
Don't give in, don't give up (we've got a big, big  
mess)  
No one looks innocent with this big big mess on our  
hands tonight.  
(a big, big mess. we've got a big, big mess on our  
hands)

When it all comes crashing.
