So how goes your heart
as you're leaving me behind
you're on a big bird
i'm on foot tearing through the airport
trying to stop you
trying to tell you
i love you, i love you

when you're heading north
my luck's going south
cuz i cant find you
i cant reach you
i'm much too late

well maybe a ticket
to fly me to your place
i could find you in time
but i highly doubt it
from the terms that we left on
i couldn't make up my mind

i know i was foolish
but i'm trying to tell you
i love you, i love you

well you're heading north
my lucks going south
i still cant find you
i cant reach you
when you're heading north
my lucks going south
i cant find you

a glimpse of hope
could that be you walking towards me
or my aching heart playing tricks on me
and im locked at the knees

you're heading north
and i'm right beside you
hand in hand
head on your shoulder

its never too late
its never too late

well you're heading north
and i'm right beside you
hand in hand
head on your shoulder
its never too late
its never too late
