oh no what
i think you heard me when i said
i don't need you anymore
but i don't and its true
i can live without you
easy; watch me
you were like a disease
thought that i'd never leave
but you'd hardly recognize me

Ohh i thought this day would never come
but i like it i'm happy
i'm never looking back
(never looking back)
and you can be the one with nothing now
the one who's all alone

Oh i guess
i should go now
before you change my mind
like you do every time
yeah every time
i get the strength to leave you hold me back
but not again

Ohh i thought this day would never come
but i like it i'm happy
i'm never looking back
(never looking back)
and you can be the one with nothing now
the one who's all alone

you dont know how much i loved you baby
do you love me too
baby

ooo ooo ooo ooo
ooo ooo ooo ooo

Ohh i thought this day would never come
but i like it i'm happy
i'm never looking back

(never looking back)
and you can be the one with nothing now
the one who's all alone
