Oohh

You act so
Conceited
But youre weak inside

Its too late
I caught you
In one of your lies

And I know I was just another girl caught up in one of
your games

Its true I should of known better
Should of known the way
--chorus--

Watcha doin watcha doin to me?
DonÂ't be tryin to hurt someone intentionally

I know youre lyin to me I got the facts
yeah I found you out boy

just take it back
(take it back takie it back take it take it take it back)

Just take it back
(take it back take it back take it take it take it back)

just take it back
(take it back take it back take it take it take it back)

Just take it back
(take it back take it back take it take it take it back)
I used to
Believe
You

Till you took my faith
I thought I could trust you but I got played

And I know now you're just a memory cuz our love was

goin down the flames

so I just ripped up all the photographs
and I just wanna say,
(chorus)

When I see you around
you turn and walk away
and act like u didn't see me

so I just pretend my heart didn't break
so it keeps on beating faster(faster faster faster) till I
cant take it no more

(chorus)
Oohooh ooh
Ooh ooh ooh

Ooh ooh ooh
Ohh ohh ooh

Ooh ooh ooh
Ooh ooh ooh
