How about believing?  
How about some faith?  
I'm tired of remorse.  
How about some truth now honey, oh?

I've tried to wait for the sea to come up,  
I've tried to wait to be home you know.  
You know I, I'm the city ghost,  
Now tired of city life,  
Now I'm the ghost of ghost of city life.

So working in the mornin'  
There's no heaven on the field.  
I'm tired of this void.  
How about some truth now honey, oh?  
I've tried to wait to be home, you know.

I've tried to wait to for the sea to come up.  
You know I, I'm the city ghost,  
Now tired of city life,  
Now I'm the ghost of ghost of city life.

How about some dreams now?  
I'm tired enough to fade  
How about some dreams now, hunny?  
I'm tired enough to fade
