Inconceivable realm imprisoned in a singular paradigm,

Such a feeble understanding of the whole,

Lost in a void of consciousness unknown,

The vast totality of being,

I have stared into the depths of the abyss,

And it has stared into me,

No pity for weaker life,

No pity, no pity for weaker life,

I eclipse the dimensions of reality,

I eclipse the dimensions of reality,

Your narrow scope of conception I will erase,

I will erase.

I eclipse the dimensions of reality,

Inconceivable realm imprisoned in a singular paradigm,

Such a feeble understanding of the whole,

Lost in a void of consciousness unknown,

The vast totality of being,

I have stared into the depths of the abyss,

I eclipse the dimensions of reality,

I eclipse the dimensions of reality,

Your narrow scope of conception I will erase,

I will erase,

I have stared into the depths of the abyss,

I have stared into the depths.
