Incalculable destruction [2x]
A realization of purpose [2x]
Equal and opposite forces one and the same,
The end of all things cannot be reached,
I imagine a greater place for the future generations of
being,
I imagine a greater place,
My devastation has only caused creation, reshaping
the multiverse [2x]
Incalculable destruction, a realization of purpose [2x]
With evolved awareness,
A renewed identity,
I imagine a greater place for the future generations of
being,
I imagine a greater place,
Reshaping the multiverse [3x]
