I will make it
Back to the fakest
Place of 'em all
It's called my home

Welcome to the city of thieves
Oh boy, ya' best believe
They'll knock you down and
Steal your everything
Try and push you around
Try and take your crown
Welcome to the city of thieves

And I forever sleep
With one eye open now
With one eye open now
An eye for an eye
For an eye for an eye

Welcome to the city of thieves
Oh boy, ya' best believe
They'll knock you down and
Steal your everything
Try and push you around
Try and take your crown
Welcome to the city of thieves

So hold
What's precious to you
Tighter than before
You'll know
It's gone
Away

Welcome to the city of thieves
Oh boy, ya' best believe
They'll knock you down and
Steal your everything
Try and push you around
Try and take your crown
Welcome to the city of thieves
