So Hang on You get What You give  
Welcome to the Wild Ride  
Sometimes Life Can be a Bitch

The Storeis and the Tales  
One Chances and the Fails  
It Will all Be Okay If You  
Believe in Yourself

The journeys and the Scars  
Is What We're Living For  
Some Things will Come And Go  
It Makes Us Who We Are  
The Stories and the Tales  
And Chances and The Fails

Don't Let it knock You Down  
If you Fall and Hit The Ground  
Stand Right Back Up Again  
Hold Your Head Up High  
Enough To Reach The Sky  
And Don't fall down

When Life's Got You Down  
Don't feel Sorry for Yourself  
Don't Get Lost in the Emotions  
Don't Ever Regret  
Keep your Feet on the Ground  
Keep your Head in the Clouds  
And Keep on Going

So Hang on to your own self be True  
Don't Ever lose Hope  
Don't Ever lose You
