This struggle's  
Enough to get carried away  
Drown out in the oceans  
I'm locked here inside my head  
Try and float away  
To ease the pain  
But my anchors  
Keep me at bay

I feel like there's nothing left  
There's a gun to my head  
It's driving me crazy  
I'll hide away and  
Pretend that I'm dead  
And let you all win  
I love playing victim

So tired and ashamed  
Of what I became  
Tuck my tail between my legs  
And walk away  
Give up on everything  
I'll hang my head in shame  
I gotta' break  
I've gotta' break free

I feel like there's nothing left  
There's a gun to my head  
It's driving me crazy  
I'll hide away and  
Pretend that I'm dead  
And let you all win  
I love playing victim

I'll dig myself a grave  
I'll hide away  
Bury all the pain deep inside  
I'm living a lie  
After a lie  
After a lie

I feel like there's nothing left  
There's a gun to my head  
It's driving me crazy  
I'll hide away and  
Pretend that I'm dead  
And let you all win  
I love playing victim
