When the sun shines
My eyes burn
Staying up at night trying to fight
My lessons never learned
Spin spin, outta control
My soul hanging by a thread
I know I'm running outta time

It's too late to save me
And I can't save myself

With every night and day
I drink 'till dawn
I don't regret it
But now I'm alone inside my head
Left to try and resolve all my problems
And fight this bottle

Spill, spill my tiger's blood
Just know my soul is made for winning (winning)

It's too late to save me
And I can't save myself

With every night and day
I drink 'till dawn
I don't regret it
But now I'm alone inside my head
Left to try and resolve all my problems
And fight this bottle

Spin spin, outta control (x4)

Winning the only thing I'm addicted to
Is winning the score board doesn't lie
I have defeated this earthworm with my words
Imagine what I would have done with my
Fire breathing fists. I'm not bi-polar.
I'm bi-winning, I win here and I win there.

Spin

With every night and day
I drink 'till dawn
I don't regret it
But now I'm alone inside my head
Left to try and resolve all my problems
And fight this bottle (x3)
