"Voiceless"

Visit "[Voiceless](#)" on MotoLyrics.com

Well hello nice to meet you
I've never seen you here before
But that's fine
We got all the time in the world to figure it out

So give our regards to the voiceless
Because we know exactly how they feel

When the weight of the world is on your shoulders
Down on one knee
Praying to God this will be okay
But you know the truth

Give our regards to the voiceless
Because we know exactly how they feel
And I will never leave their sides
Their sides again
We're here 'till the end
Never leave your sides

So spread your wings
And fly away
Don't ever be afraid to fly
