The essence of life is bound to no mistakes  
natural selection, controls mutation rates  
a new state of balance, cellular repair mechanism  
unplanned accidents, influenced misbehavior

The truth lies between extremes tying both sides  
the people in the middle not knowing what's really  
behind  
waves of violence orchestrated by the hidden hand  
toll of sacrifice, seated vengeance, deceit, defeat the  
enemy

Created the problem  
and the reaction  
bring the solution  
create destruction  
control the money  
control religion  
control society  
absolute power [x2]

Covered dictatorship running society  
covered dictatorship running society  
found the power to curse the fiction - absolute power!  
got the power to curse the fiction - absolute power

Endless bloodshed death toll of sacrifice  
welcome to the - welcome to the end of time  
endless bloodshed death toll of sacrifice  
welcome to the - welcome to the end of time  
found the power to curse the fiction - absolute power!  
got the power to curse the fiction - absolute power

Create the problem  
and the reaction  
bring the solution  
create destruction  
control the money  
control religion  
control society  
absolute power [x2]
