Can't you find the whores in music?

Pogota

Creeping' souls of human race

Pogota

Can't you get a little knowledge?

Pogota

Get the idea you piece of s\*\*t

Dare to teach me how to slam

now I'll show'em back street music doesn't slam like

pogota

when the slam drives us wild

No more nice boys no more costumes, I'll tear off your

stupid mask

Feel so good to kick your ass,

Asses to kick, suck my d\*\*k!

Pogota

Wake up, look around you

Pogota

It's the dance of Agony

Pogota

'Cause you're the idiot motherf\*\*\*er!

Pogota

Asses to kick, suck my d\*\*k!
