All of our love has washed away
And you leave me feeling the same way
All I ever wanted was you
Only only you
All I ever need was true

All the regrets that I live with
They pull me down and turn and twist me
They twist me baby
And all I ever wanted was you
And only, only you
All I ever need was true
Only you

No more regrets of yesterday
That I can't take away
And clear out the past
I always writ
There's got to be a way
And all I ever wanted
And all I ever needed
Was you

All I ever wanted was you
Only, only you
All I ever needed was true
Only you

No more regrets of yesterday
That I can't take away
And clear out the past I always writ
There's got to be a way
All I ever wanted
And all I ever need
Was you
