ANOTHER PLANET

I - I - I - I wish I woz from Another Planet
and I could get back there anytime I wanted.
There ain't much here to stop me from leaving
There ain't much here that would cause me too much
grieving.
I know you enjoy kicking sand in my face
So I've lost faith with the human race.

I - I - I - I wish I woz from Another Planet
I - I

Nothing ever changes except the clothes you wear
If the colour keeps on changing
Honey you won't have no hair

Everyone has their problems, I try to listen
But we always end up
In the same position

I - I - I - I wish I woz from Another Planet

The earth ain't bad
Just the bastards on it

I - I - I - I
Wish I woz from Another Planet
Another Planet

I gotta get back there
I gotta get back there
I gotta get back there
I gotta get back there

Another planet
I - yi - yi - y - yi - the beat is crazy
Oh!

I - wish I woz from Another Planet
I - wish I woz from Another Planet
I - wish I woz from Another Planet

I gotta get back there
I gotta get back there
I gotta get back there
I gotta get back.
