ATTACK

Bats in the belfry
Eat me at the altar
Like a little lamb
Lead me to the slaughter!

Attack! Attack! Attack!
Attack! Attack! Attack!
Attack! Attack! Attack you!

Well I've been living on easy street
Watching the all the people coming home
You sit glued to your TV
You'll get glued to my fist tonight
Tonight, Tonight, Tonight,
When I attack - aagh - you!!

Walking alone with a stranger
He's always touched, an actor
You can't touch this pretty boy
Cos he's alone
Tonight, Tonight, Tonight
When I attack you.

Bats in the belfry
Eat me a t the altar
And like a little lamb
Lead me to the slaughter

Tonight, Tonight
Bury the shit, Bury the shit, Bury the shit
With YOU!
Tonight tonight tonight!!!

When I attack
Y O U !!!!! AAAAGH!

Yeah yeah yeah yeah!

YEAH YEAH YEAH YEAH

Walking alone with a stanger
She's in agony
Tonight! ugh!
When I attack...

Bats in the belfry
Eat me at the altar
Like a little lamb
Lead me to the slaughter

Can you do the bossanova?

Can YOU do the bossanova?

2 3 4 1 2 3 4

1 2 3 4 4 1 2 2 2 1 3 3 4 1

Give it all to mummy
Give it all to mummy
Tonight!!

He came from Venus
His eyes were red and so was his penis.

Tonight
Tonight!
Attack attack attack attack attack attack attack attack
YOU
You You You You You
Yeah you
T O N I G H T

Washes even whiter
It's biological

Can you do the bossanova?
Can you (ugh) do the bossanova?

A A A A A A G G G H H H H H H !
