HEE-HAW
(HERE COME THE BONE PEOPLE)

It was just a simple case of lobotomy
I'm feeling better now I've found my mind
The leaves on the tree are falling down to the ground
And I'm looking through an illusion in your mirror

Who is the man? Give us a clue
Living on thinners, choking on glue

There ain't no Christmas, there ain't no sin
Come back baby, where you been?

And he said Hee-Haw
And he said Hee-Haw
Here come the bone people

Knock knock knocking on the walls of Jericho
I'm burning in the desert, while some people froze
Movement in my fingers, blood runs from my nose
I'm a trickle in the stream, yeah and the wild wind
blows

And he said Hee-Haw
Yeah he said Hee-Haw
Here come the bone people

Who is the man? Give us a clue
We're living on thinners and choking on glue

There ain't no Christmas, there ain't no sin
Come back baby, where you been?

Hee-Haw
Hee-Haw
Here come the bone people

The sky is red, I'm dead
The sky is blue, and so are you

Who is the man? Give us a clue

Living on thinners, you're choking on glue

Knock knock knocking, knock knock knocking
Knock knock knocking on the walls of Jericho
I'm burning in a desert, while some people froze
Movement in my fingers, blood runs from your nose
And I'm a trickle in the stream, while the wild wind
blows

And he said Hee-Haw
He said Hee-Haw
Here come the bone people

The sky is red
And I'm dead.
