ISOLATION

It's the end
Of another year
End of
Another night
It's the end of another beautiful day
Oh won't you
Come and visit me
What do you say?

Isolation
Isolation
It's my place of hibernation
Isolation

I am human
Believe it or not
Nothing in the closet
What you see is what I've got

Isolation
Isolation
Is my place of hibernation
Isolation

Drinking whisky all night long
Nothing came at first
And then along came
My song

Isolation
Isolation
It's my place of hibernation

End of another year
It's the end of a beautiful day
End of another night
That's right!

In
Isolation

Isolation
Isolation
Medication
Sedation
Isolation

Human?
Are you human for my
Experiments?
Are you normal?
Is your brain right
(Brain right?)

Medication
Isolation
Isolation
Medication
Isolation

The body feels cold
The body is blue
It could be me
I'd rather it was you

Isolation
Manyana, Manyana
Isolation

Sitting in a box
Made of wood
It feels nice
It feels good

Isolation
