THE GURL AT THE END OF MY GUN

spouting happy fountains
i watched your life begin
rotting in your stockings -
fetish make me weep
I've found god
and i live by the needle

and there's a gurl...
do you wanna die? kill kill kill
do you wanna die? kill kill kill

her daddy's rich
well he oughta be...
his swiss bank account
pays for her anarchy

There's a gurl...

i wanna see u buried
i wanna drive the hearse,
in reverse, over you!!!

did you wanna die?????
