Strap me in Iâ€™m going out  
Guarenteed to make you shout

Iâ€™ve got skeletons in my closet  
Iâ€™ve got monsters under my bed  
Iâ€™ve got zombies knocking at my door  
That donâ€™t realise theyre dead  
Iâ€™ve got bats hanging in my belltower  
And monkeys on my back  
A bitch like you to light my fuse is the only thing I lack

Strap me in Iâ€™m going out  
Guarenteed to make you shout  
This is a supernova suicide  
No one here gets out alive  
Sometimes youâ€™ve got to lose before you learn  
A Supernova Suicide

Iâ€™ve got supersonic machine guns  
And mile long magazines  
Iâ€™ve got styrofoam and gasoline if Napalm is your  
thing  
Iâ€™ve got mushroom clouds of anger  
And Iâ€™m seeing infrared  
Iâ€™ve got a piece of mind to beat you blind  
With war inside my head

Strap me in Iâ€™m going out  
Guarenteed to make you shout  
This is a supernova suicide  
No one here gets out alive  
Sometimes youâ€™ve got to lose before you learn  
Pull the pin and count to ten  
Pray to God Iâ€™ll live again  
A Supernova Suicide  
No one here gets out alive  
Sometimes youâ€™ve got to lose before you learn

Iâ€™m so sorry  
You got caught in my crossfire  
While I was burning like a joint

Strap me in Iâ€™m going out  
Guarenteed to make you shout  
This is a supernova suicide  
No one here gets out alive  
Sometimes youâ€™ve got to lose before you learn  
A Supernova Suicide
