A caf? in paris

A caf? in paris -- sitting comfortably  
Raise the blind, my eyes are wondering  
Focus form of fighting slowly  
Move ? , a big smile  
The ?  
A caf? in paris, sitting comfortably

A caf? in paris, sitting comfortably  
A caf? in paris, sitting comfortably  
A caf? in paris, sitting comfortably  
A caf? in paris, sitting comfortably  
A caf? in paris, sitting comfortably  
A caf? in paris, sitting comfortably
