Why I do the things I do  
It isn't all because of you  
And how you make me feel sometimes  
Forget all that I said to you  
Forget all that you put me through  
When why is all I need to know this time  
But now I'm crawling  
There's no chance I'm crawling back

*[Chorus]*

You walked out  
Your words have no meaning to me  
I don't care what you're thinking now  
You dropped out  
Where is all your faith in leaving  
You let me sink and watch me drown

And now I'm waiting patiently  
Just wondering what I should believe

I question all I know  
And I can't take this anymore  
I misunderstood you twice before  
I'm losing all my self control  
Now I'm crawling  
There's no chance I'm crawling back

*[Chorus]*

I don't know  
I don't know  
I don't know  
I don't know why  
I never knew and I despise  
All you put me through because

*[Chorus]*

You let me sink and watch me drown  
You let me sink and watch me  
You let me sink and watch me  
You let me sink and watch me drown
