How long, how long are you asking me to stay?
I cannot stand to watch you kneel today
I saw your hope and turned my face away from you

But under her skirt, I see the nation's pain
All kicked with dirt, she crossed her legs with shame
How can you hurt a man who knows your name?
It's true

I cannot, I cannot kill an innocent
I will not, I will not, put the gun in my
I cannot, I cannot kill an innocent man
I cannot, I cannot kill an innocent
I will not, I will not, put the gun in my
I cannot, I cannot kill an innocent man

You sit down, you sit down, you sit down, you sit down,
you sit down

How wrong, how wrong it is to let us guess which god is

Which faith would suit us best?
Oh god of pete's, quit trying to impress

I cannot, I cannot kill an innocent
I will not, I will not, put the gun in my
I cannot, I cannot kill an innocent man

you sit down

I cannot, I cannot kill an innocent
I will not, I will not, put the gun in my
I cannot, I cannot kill an innocent man
I cannot, I cannot kill an innocent
I will not, I will not, put the gun in my
I cannot, I cannot kill an innocent man

You sit down...
