Can anyone tell me how, how we learn to live with
ourselves
Iâ€™ve been forgiven, things only god knows
but I canâ€™t forgive myself
and after all my searching I found who I am and itâ€™s
not what I wanted
but Iâ€™m here now and I'm broken come save me from
this hell

The earth falls asleep much too early for me
I close my eyes but I canâ€™t rest, my body is tired
my mind is running from the past to the east to the
west
trying to find the blame youâ€™ve already taken from me

can anyone tell me how, how we learn to live with
ourselves
Iâ€™ve been forgiven things only god knows
but I canâ€™t forgive myself
and after all of my searching I found who I am and itâ€™s
not what I wanted
but Iâ€™m here now and Iâ€™m broken come save me
from this hell

Iâ€™m convinced that the world that we see is a curtain,
behind which vast realms await us
of uncharted marvels in oceans of mercy inside my
fatherâ€™s eyes
and the mountains are grand stands that sheets of
blue skies rest upon
pealed back with ease by yours hands to reveal a glory
Iâ€™ve never dreamed

can anyone tell me how, how we learn to live with
ourselves
Iâ€™ve been forgiven, things only god knows but I canâ€™t
forgive myself
after all of my searching I found who I am and itâ€™s not
what I wanted
but Iâ€™m here now and Iâ€™m brokenâ€¦
I want to pay for the things Iâ€™ve done
the people Iâ€™ve hurt, get what I deserve

but you won't let me, no, you won't let me
my hope is in the unseenx2
my hope is in the unseen cause I see no hope in me
