We all want what we deserve  
Unless it's going to hurt  
And I would rather earn my bread  
Off the sweat of someone else's face  
Than use my own strength

We work so hard to reserve this dream  
That's a nightmare  
And now my eyes are used to the dark

There is no one left  
Who isn't better than the rest  
I need to hear you say that I'm the best

Absurdity reigns  
And confusion makes it look good  
A poor man's kingdom  
Or a rich man's delusion  
Mad men in authority hear voices in the air  
Distilling their frenzy  
From academic scribblers in despair

We work so hard to reserve this dream  
That's a nightmare  
And now my eyes are used to the dark

There is no one left  
Who isn't better than the rest  
I need to hear you say  
There is no one left  
Who isn't better than the rest  
I need to hear you say that I'm the best

The bigger they are  
The harder they fall  
Your ego is swelling  
Your heart is so small

The bigger they are  
The harder they fall  
Your ego is swelling  
Your heart is so small

The bigger they are  
The harder they fall  
Your ego is swelling  
Your heart is so small  
The bigger they are  
The harder they fall  
Your ego is swelling

There is no one left  
Who isn't better than the rest  
I need to hear you say  
The bigger they are  
The harder they fall
