Reckless I feel, reckless I feel
It's something ideal, it's something ideal

Space between the thoughts and acts
A mind ? see us ? pay the way
Who knowingly mowed us
Who seemingly owed us

? cast aside
From the wreckage to the tide
Feel the touch of excitement while
Adrenaline ?
Oh ?
They were too young
They were too young

Use your knowledge
Use your knowledge
Feel the words
Feel the words

A time to act now
A time to ?
Now relax boys
Now relax
Just a thought, just a thought
Just a thought, just a thought
Just a thought, just a thought
Just a thought, just a thought
Just a thought, just a thought
For you to face
Just a thought, just a thought
For you to face
Just a thought, just a thought
For you to face
Just a thought

? cast aside
From the wreckage to the tide
Feel the touch of excitement while
Adrenaline ?
Oh ?

They were too young
They were too young
They were too young
They were too young
