Streetfight, goodnight, turned out alright  
Everybody's waiting for the last bus home  
Gatecrash, what a bash, fucked up, no cash  
Everybody's waking up, heads exploding

It's coming round again  
Gonna get my coat after one more last one  
The bell is ringing time  
Do it all again yeah, tomorrow night  
I said...

Hey, you, me  
Living like a barfly  
Hey, you, me  
Living like a barfly

Discotheque, get wrecked. black eye, hen-pecked  
Everybody wishes they were on their own  
True romance, last chance, wake up, no pants  
Everybody's beautiful with beer goggles on

It's coming round again  
Gonna get my coat after one more last one  
The bell is ringing time  
Do it all again yeah, tomorrow night  
I said...

Hey, you, me  
Living like a barfly  
Hey, you, me  
Living like a barfly

It's coming round again  
Gonna get my coat after one more last one  
The bell is ringing time  
Do it all again yeah, tomorrow night  
I said...

Hey, you, me  
Living like a barfly  
Hey, you, me

Living like a barfly  
Hey, you, me  
Living like a barfly  
Hey, you, me  
Living like a barfly does
