Warwick/Friesen

Confidence broken
we fight for control
all my friends are hollow
and no one else is whole

(pre-chorus)

I'm not your anxiety
I'm not your anxiety

(chorus)

Stop taking, stop taking
stop taking the easy way out
Caught me wide open
take what you see
tear the world to pieces
dying by degrees

(pre-chorus chorus)

I'm not living for you

(pre-chorus chorus)

Stop taking the easy way out of this
