(Warwick)

It's hard to believe when your dead inside  
It's hard to believe that it's good to be alive  
Well I've been down so long  
and now I wanna break free  
Wanna break these chains  
they keep puttin' on me  
How long will the rain  
keep fallin' down on me  
Cause I got something to say  
When I get outta here  
There'll be hell to pay

Chorus

Hell to pay  
Hell to pay  
When you come my way  
There'll be hell to pay

I've loved many and trusted few  
I been fucked up and crazy too  
A blonde bitch came to ease my mind  
We got it on and I'm feeling fine  
You think you're so righteous  
lookin' down on me  
You wanna kiss my ass  
but when my back is turned  
You wanna see me bleed  
You wanna see me burn

And there'll be...

Chorus

I lose my mind so I can talk to the mindless  
I take my love anyway I find it  
Caught in the West End colours in my head  
Screamin' at the asphalt to take me to bed  
You bought yourself a little mercy for a while  
Well I'm a serpent God with a love tattoo

Son of a bitch let loose on you  
And there'll be...

Chorus

Hell to pay  
Hell to pay  
When you come my way  
They'll be hell to pay  
Well you can take my heart  
Take my soul  
But you better start believing that I want it all  
Or there'll be hell to pay

How long will the rain keep falling down on me  
Man, I don't give two fucks what you say  
Cause when I get outta here there'll be  
Hell to pay

Chorus
