Some motherfucker nail me to the floor
'Cos I can't drink and feel safe anymore
Take a look at the state of my constitution
I feel the need for some retribution

I'm in love
I'm in love
I'm in love again
I'm in love
I'm in love
I'm in love with revenge

Kung fool kicks or the devil's right hand
What part of fuck off don't you understand
Just leave me alone with my social unrest
'Cos it's nothing o'clock and I'm present tense

I'm in love
I'm in love
I'm in love again
I'm in love
I'm in love
I'm in love with revenge
I'm in love
I'm in love
I'm in love again
I'm in love
I'm in love
I'm in love with revenge

I wanna move to a world that's not like this
Away from people eating, sleeping, fucking, slashing
their wrists
I believe in desperate acts
I believe in getting my own back
And money doesn't change what you think
It only changes what you drink
A big house in Happytown, yeah that's what it's for
Where only the locals get to break the law
So thanks a million for the waste of time
That cocaine confidence is at the end of the line

Some motherfucker nail me to the floor
'Cos I can't drink and feel safe anymore
Take a look at the state of my constitution
I feel the need for some retribution

I'm in love
I'm in love
I'm in love again
I'm in love
I'm in love
I'm in love with revenge
I'm in love
I'm in love
I'm in love again
I'm in love
I'm in love
I'm in love with revenge

Yes I am
I'm in love again
I'm in love with revenge
