(Warwick/Tantrum)

Yeah, you're some kind of angel  
'Cos your my kind of girl  
And I wanna love you  
I wanna give you my world  
We got it all now  
Yeah, it's feelin' alright  
Take you down in the city  
Lets kill the night

Lay down the law  
You're my prisoner of love  
Lay down the law  
'Cos I can't get enough

We'll go cruise in your Cadillac  
Now that the time has come  
We'll do things my way  
The revolution of love  
We got it all now  
Yeah, it's feelin' alright

Take you down in the city  
Lets kill the night

Lay down the law  
You're my prisoner of love  
Lay down the law  
'Cos I can't get enough

Give me the strength  
Give me the power  
To carry on with this game  
To tame this wild, wils flower  
We got it all now  
Yeah, it's feelin' alright  
Take you down in the city  
Lets kill the night

Lay down the law  
You're my prisoner of love

Lay down the law  
'Cos I can't get enough
