Remember me!

Since when was this a thing that we rehearsed?
These golden years they are my first, my last.
No in-betweens?
I will break this trend before you miss me.

Will you remember me?
Comprehending this life, inside me.
Those hidden things I feel are oh so real,
Why can't you see them?

Are you blind then?

'Cause my eyes are the window to my soul,
But why tell you? You wouldn't know.
There's nothing to show that could tell me apart,
You say I am and you say I'm not.

Life is like breathing but I'm suffocating,
Please let me live, I'm tired of dreaming.
Cling to what I believe, so hard and desperately,
Hoping that one day you'll see, the hope and life
that's in me.

Will you remember me?
Comprehending this life, inside me.
Those hidden things I feel are oh so real,
Why can't you see them?

I hope I feel this passion's real,
And I'd give everything just to feel you know me.
The time will come, when the day will be mine,
As you open up your eyes and know I'm alive.

Remember me!

Will you remember me?
Comprehending this life, inside me.
Those hidden things I feel are oh so real,
Why can't you see them?

Remember me!
