Please start; entrust.
Please say too much.
Just tell them 'Never',
You've lived too much.
Please don't calm the sorrows,
Or breathe too much.
Just live out tomorrow,
Like the life you said you'd have.

The thoughts that hold.
Fell from your eyes but hold on,
'Cos they'll ask you to go.
Hiding like a stranger,
Who will never know.
This life you killed.
But your choices,
Led to changes somehow.
Are you ready?

Am I living?
Taken down by wanting!
And my heart's been touched!
Is that enough?
We'll be the ones that said too much...

You need to live,
Not part of their ideal.
Because this life is yours,
Don't let them change you.

You're a part of what is real,
So go on and make this song your own.
Make this song your own!

Am I living?
Taken down by wanting!
And my heart's been touched!
Is that enough?
We'll be the ones that said too much...

Say it now,
Don't fall somehow.

Your spirit will find the sound.
Wake up!

I will fail me,
But Iâ€™ll stay here.
Iâ€™ll move on to more.

Am I living?
Taken down by wanting!
And my heartâ€™s been touched!
Is that enough?
Weâ€™ll be the ones that said too muchâ€¦

Am I living?
Taken down by wanting!
And my heartâ€™s been touched!
Is that enough?
Weâ€™ll be the ones that said too muchâ€¦
