She was a side kick  
She was a lonely girl  
Now she's all mixed up  
In a mixed up world  
She tried to fit in  
With those other girls  
Now she's stuck in the crazy world

She's up she's down she's running around  
It's a crazy world  
It's false it's true so what do you do  
It's a crazy world

She changed herself  
So she could be in this crazy world  
Whoa  
Why pretend to fit in this crazy world

He was a loner  
He was the quiet guy  
They always made fun  
Of the guy who's shy  
But he gave in to be like them  
Now he's stuck in  
His crazy world

He's up he's down he's running around  
It's a crazy world  
It's false it's true so what do you do  
It's a crazy world

He changed himself so he could be in this crazy world  
Whoa  
Why pretend to fit in  
This crazy world

Well they were fed up  
With the games they played  
And they were tired of the things they'd say  
So they made a pact to be themselves  
Now they're stuck in  
This crazy world

Yeah

They're up they're down they're running around  
It's crazy world  
It's false it's true so what do you do  
It's a crazy world  
They stayed themselves so they could be in this crazy  
world

Why pretend to fit in this crazy world  
Don't pretend to fit in  
Why pretend to fit in  
Don't pretend to fit in  
This crazy world
