Bought myself a new pair of shoes
I'm not singing those old time blues
Calling up my girls hanging out tonight
We'll have ourselves a real good time
Then, tomorrow we'll hit state fair
I don't really care who's gonna be there
Maybe I'll give myself a gift
Turn on a little bit of Taylor Swift

I'm gonna live my life the way I want to
I'm gonna do what I want to do
I'm gonna choose to choose, wearing my new pair of
shoes

I'll start my day with my new pair of shoes
I'm not even gonna hit the snooze
Paint my fingers and paint my toes
empty my closet wearing all of my clothes
maybe the sun will blow of this stress
I think these shoes need a brand new dress
Turn on some music and forget the day
Lets rock out to Beyonce

I'm gonna live my life the way I want to
I'm gonna do what I want to do
I'm gonna choose to choose, wearing my new pair of
shoes

hoo o-o-o-o-oo-o-o-oo-o-o-o-o-oo
yah yahee yah yah o-o-o-o-o-o-o-o

Don't point a finger, don't try to judge
cause I'm not liking you
Until you walk into these shoes,
you don't even have a clue!
Dance the night in front of my mirror
I not gonna live my life in fear!
Live my life like I got nothing to loose
keep on dancing in my new pair of shoes
Try to be true to myself,
but in these shoes I feel like someone else
Kick off these shoes, don't care what you think

Gonna unwind to a little of pink!

I'm gonna live my life the way I want to
I'm gonna do what I want to do
I'm gonna choose to choose, wearing my new pair of
shoes

o-oo-o-o

wearing my new pair of shoes

o-oo-o-o-o

wearing my new pair of shoes
