Angel  
Come To Me  
Take Me To Your Soul Train  
Set My Body Free

Angel  
Take Me Higher  
Slippin' Into The Darkness  
Fight The Power  
Now Light My Fire

Angel... Of Def  
Angel... Of Def

Angel  
Take My Hand  
Rock Me Through The Valley Of The Shadow

You're A Soul Man

Angel  
Make Them See  
My Creator Who Is The Master Mc

Look Into The Sky  
What Do I See  
It's The Eye Of God  
Staring Down Upon Me

Angel... Of Def  
Angel... Of Def
