Big Two Hearted Sammy
Was A Book And My Girlfriend
I Only Hope The Doctor
Writes Us In A Happy Ending
He Pours Another Drink
We'll Fix Another Shot
We All Wanted What We Got

She Had One Heart
To Love The World
And One Just To Tear Apart
We're Gonna Lose Our Minds
But I'll Get In There This Time
Whether They Like It Or Not

Big Two Hearted Sammy

He's Clawin' In The Dirt
Big Two Hearted Sammy
When Both Our Hearts Hurt

What Took Sammy Down
Brought Us All Back Around
And Gave Us One Hell Of A Fight
I Gotta Find A Reason
Just Like Sammy Found Yvonne
Get In My Car And Drive Off Into The Night

Big Two Hearted Sammy
He's Clawin' In The Dirt
Big Two Hearted Sammy
When Both His Hearts Hurt
