Ready To Shred
They Heard What You Said
Now Motherfucker You Die
Grabbed Stabbed And Kicked In The Head
Then They'll Gouge Out Both Of Your Eyes
Start This Fight
You'll Lose Tonight
Cause You Got More Mouth Than Muscle
You Cry Death Before Dishonor
But First It's Brave Words And Bloody Knuckles
Brave Brave Words And Bloody Knuckles
Dueling With Guns
Under The Sun
Or A Gang War Raged In The Night
Hand To Hand Or A Hundred To One
Screaming Put Up Your Dukes And Fight
Start This Fight
You'll Lose Tonight

Cause You Got More Mouth Than Muscle
You Cry Death Before Dishonor
But First It's Brave Words And Bloody Knuckles
Brave Brave Words And Bloody Knuckles
Fuck With The Best
You'll Lay With The Rest
So Get Out Of My Fuckin' Way
I Can See You're A Punk
Who Could Use A Good Beating
So Come On And Make My Day
Start This Fight
You'll Lose Tonight
Cause You Got More Mouth Than Muscle
You Cry Death Before Dishonor
But First It's Brave Words And Bloody Knuckles
Brave Brave Words And Bloody Knuckles
